Consent for Dental Treatment

I request and authorize Dr. Pike and her staff to examine and provide my child with comprehensive dental treatment including, but not limited to cleanings, fillings, crowns, extractions, and nitrous oxide, if required. I further request and authorize the taking of dental x-rays as may be considered necessary by Dr. Pike to diagnose and/or treat my child's dental condition. I understand that I will be responsible for any charges incurred on this child for dental treatment. I will allow photographs to be taken of my child and/or my child's teeth for diagnostic or educational purposes. I understand that dental treatment for children includes efforts to guide their behavior by helping them to understand the treatment in terms appropriate for their age. Dr. Pike will provide an environment likely to help children learn to cooperate during treatment by using praise, explanation and demonstration of procedures and instruments, and using variable voice tone.

This also gives Dr. Pike and her staff permission to discuss treatment and conditions with the person(s) listed below. Financial Policy

Please understand that financial arrangements are made directly with you. For your convenience, the following outlines our financial policies:

1. **Payment is due in full** for each appointment as services are rendered and is to be paid by the person accompanying the child. We accept cash, MasterCard, Visa, Discover and Care Credit. You will be responsible for payment of all costs and fees incurred, including attorney's fees, should collection efforts be made in order to fulfill a debt.

2. **Dental Insurance:** Please check with our staff to make sure that we accept your child's insurance plan. For all insurances that we do not accept, we will be happy to submit a claim to your insurance electronically, however payment is due in full at time of service. The type of plan chosen by you and/or your employer determines your insurance benefits. As such, we have no control over the terms of your contract, the method of reimbursement or the determination of your insurance benefits. Any reimbursements by your insurance company other than those we directly participate with should be made directly to you according to the terms of your contract with them.

3. **Pre-treatment Authorization:** Some insurance companies recommend an estimate of the work to be done and the fees to be charged before determining their benefits to you. If so, we will provide you with the pre-treatment fee estimate. In this case, it will be up to you to determine if you wish to proceed with the treatment before the insurance benefit is determined.

4. **Fillings:** Our dental material of choice is a white (composite resin) filling. Please be aware that your insurance company may not pay for a resin filling at the same level as a silver (amalgam) filling. The co-payment is your responsibility. In some cases, Dr. Pike may recommend placing a silver crown instead of a resin filling.

5. **Nitrous Oxide / Analgesia:** Our office uses Nitrous Oxide Analgesia (Laughing Gas) for the comfort of our young patients. This fee is not always covered by dental insurance. We thank you for your payment on the date of service.

6. **Appliances:** The entire cost of the appliance must be paid on the day your child's impressions are taken. This is necessary because our office must pay the laboratory bills when appliances are ordered, not when they are completed.

7. **Emergency Treatment:** All emergency treatment must be paid in full at the time the service is rendered.

Please remember, even if you have insurance coverage, **you are responsible for payment of your account.** *Understand that your insurance coverage is a relationship between you, the insured patient and your insurance company. Your understanding and cooperation with this matter is greatly appreciated. Past due accounts are subject to a monthly service charge and will be turned over for collection by an outside agency .If your account is turned over to a collection agency, all court costs and attorney fees will be applied.* ***I have read and understand my obligation.***

Office Policies

The office attempts to schedule appointments at your convenience and when time is available. If your child is under the age of 5, we recommend that you schedule a morning appointment for your child. Younger children are more cooperative when they are well rested.

Since appointed times are reserved exclusively for each child, we ask that you please notify our office 24 business hours in advance of your scheduled appointment time if you are unable to keep your appointment. We realize that unexpected things can occur, but we ask for your assistance in this regard. If your child misses an appointment without notifying us 24 business hours in advance, a cancellation fee will be applied to your account. This fee will vary depending on the length of time reserved for your child. We try our best to accommodate our patients, so please be courteous and let us know if you cannot make it to your child's scheduled appointment. As a courtesy, our office calls to confirm all scheduled appointments.

We kindly ask that **only 1** (one) parent &/or guardian accompanies the child in the treatment room for any dental treatment needed (ex. fillings, extractions etc.). Siblings are **not** permitted to sit on their parent's lap.

I have read and understand the Office Policies and agree to abide by its contents:

Consent for Attempted Treatment

To all patients where treatment is attempted, but not completed due to lack of cooperation or other unforeseen circumstances, a fee based upon time and materials used will be charged (ex. chair time, nitrous oxide, local anesthesia). Please understand that time was set aside for your child in order for treatment to be performed. If your child is uncooperative, we reserve the right to charge for our time and materials used/opened. Thank you for understanding!

Attempt Treatment (chair time for treatment) (DATTX)	$55.00
Nitrous Oxide (D9230)	$120.00
*Behavioral Management (D9920) *if Nitrous Oxide is declined by parent/guardian	$166.00
Temporary Filling (in case treatment is started, but cannot be completed) (D2940)	$125.00

*Please note: if the patient has insurance, the temporary filling (D2940) will be billed out and **may** be covered. Co-insurance deductible and co-pay will apply. In some instances, nitrous oxide (D9230) **may** also be covered. IF YOU DECIDE TO CHOOSE IV TREATMENT IN OUR OFFICE, WE WILL PUT THESE CHARGES PAID TOWARD THE IV TREATMENT.
